Sue Oakes

Hi Chuck,

I'm wrapping up the claimers seeing how the season is coming to an end. We need to finalize Bet The Moon.

Attached is a spreadsheet showing the breakdown from the cost of the horse, the money lost on the claim and the bills incurred. It looks like Chris owed you \$2,521.50. Look this over and if you see any issues, let me know.

The August training bill still needs to be paid as I had not sent this before now. I deducted all the expenses from the income as if they were all paid. If you've received any vet bills or any other expenses, let me know and I will adjust the courtesy credit to include 50% of those as well.

Also included is a check for the funds you had left in your claiming account. Chris closed everything out this weekend so he grabbed yours as well.

If you have any questions, let me know. You can call me directly @ 570-407-2388 if you have any questions.

Sue
